Educating the Mind, Body and Soul

Parents/Students,

It is very important that our families understand our policies and procedures. Please carefully read through all the information in the handbook, sign this form and return it to the school office. There have been updates made from previous years and forms that previously required signatures from parents and students have been added to our handbook. ****PLEASE RETURN ASAP****

I have read and understand the information in the 2026-2027 handbook and will support TCA and the guidelines established therein.
